

**Jan Nayak Ch. Devi Lal Memorial College of Engineering, Sirsa**

Date: 28/4/2024

**Date sheet for First Sessional examination April 2024**

**B.TECH (2<sup>nd</sup> Sem)**

| Date     | Time             | Group A (ME,EE)  | Group B (CIVIL, CSE, AIML)   |
|----------|------------------|--|------------------------------|
| 02-04-24 | 10:00 am-11:30am | Chemistry  | Indian Constitution          |
|          | 2:30 pm-4:00pm   | Mathematics-II- BSC/4-T (ME, EE, CIVIL)<br>Mathematics-II- BSC/6-T (CSE, AIML) |                              |
| 03-04-24 | 10:00 am-11:30am | Programming for Problem Solving  | Workshop Technology          |
|          | 2:30 pm-4:00pm   | English  | Basic Electrical Engineering |
| 04-04-24 | 10:00 am-11:30am | Environmental Science  | Physics                      |

**B.TECH (4<sup>th</sup> Sem)**

| Date     | Time             | CSE                               | EE                                       | M.E                                      | CIVIL                      | AIML                                   |
|----------|------------------|-----------------------------------|--|--|----------------------------|--|
| 02-04-24 | 10:00 am-11:30am | Microprocessor and interfacing    | Power Electronics                        | Numerical Methods                        | Fundamentals of Management | Operating Systems                      |
|          | 2:30 pm-4:00pm.  | Computer Networks                 | Electrical Machines-II                   | Material Science                         | Structural Analysis-II     | Data Mining Techniques                 |
| 03-04-24 | 10:00 am-11:30am | Data Base Management Systems      | Power Systems-I                          | Fluid Mechanics                          | Fluid Mechanics-II         | Data Base Management Systems           |
|          | 2:30 pm-4:00pm   | Analysis and Design of Algorithms | Fields and Waves                         | Steam and Power Generation               | Soil Mechanics             | Computer Organisation and Architecture |
| 04-04-24 | 10:00 am-11:30am | Software Engineering              | Signals and Systems                      | Mechanics of Solids-II                   | Surveying-II               | Discrete Mathematics                   |
|          | 2:30 pm-4:00pm   | Java Programming                  | Essence of Indian Traditional knowledge  | Essence of Indian Traditional knowledge  | Engineering Geology        | Python Programming                     |
|          |                  |                                   | Human Values and Personality Development | Human Values and Personality Development |                            |  |
