## Message from the Director General

Professional higher-standard educational institutions play a pivotal role in shaping the future of a nation. It is a universal truth that the quality of a nation depends upon the quality of its education. With this vision, Jan Nayak Ch. Devi Lal Vidyapeeth, Sirsa was established in the year 2002 under the aegis of Ch. Devi Lal Memorial Trust, headed by its President Ch. Abhay Singh Chautala. JCD Vidyapeeth, Sirsa was envisioned as a 'Centre of Excellence,' where we strive to inculcate humanitarian values among students to realize the ideals of peace, harmony, fraternity, and equality, thereby fostering national integration. We are proud to position JCD Vidyapeeth, Sirsa among India's leading educational institutions that emphasize academic brilliance and holistic development. Our vision aligns seamlessly with the National Education Policy (NEP 2020), which aims to revolutionize the education system by promoting flexibility, creativity, and interdisciplinary learning. I firmly believe that JCD Vidyapeeth, Sirsa under the Chairmanship of Sh. Arjun Singh Chautala, will continue to produce exceptional Engineers, Managers, Teachers, Dentists and Pharmacists who demonstrate superior work ethics, unwavering focus, and a commitment to societal betterment. As we continue to grow and innovate, I am confident that the students passing out from JCD Vidyapeeth, Sirsa will be invaluable assets to the nation, exhibiting exemplary academic performance and contributing to the progress of society. I extend my heartfelt gratitude and best wishes to all faculty members, staff, and students for their relentless dedication in making JCD Vidyapeeth, Sirsa a beacon of knowledge and excellence.

**Prof. (Dr.) Jai Parkash**  
**Director General, JCDV**

## Message from the Registrar

It gives me immense pleasure to convey my warm greetings to all prospective students and stakeholders through the JCD Vidyapeeth Prospectus. At JCD Vidyapeeth, the non-teaching staff forms the backbone of the institutional ecosystem, ensuring smooth academic, administrative, and campus operations. While faculty members shape minds in classrooms and labs, we work diligently behind the scenes to provide a safe, supportive, and efficient environment that fosters learning, discipline, and development. Our commitment is to serve students with integrity, transparency, and empathy whether through admissions, examinations, hostel management, library support, IT services, or daily administrative coordination. We believe that every interaction with a student is an opportunity to create a positive impact. I take pride in the role we play in upholding the standards and values of JCD Vidyapeeth. We are constantly evolving our systems to match the pace of educational transformation and to support our students journey from enrolment to graduation with sincerity and professionalism. We look forward to welcoming you to a campus where every staff member is committed to your academic success and personal well-being.

With best wishes

**Dr. Sudhanshu Gupta**  
Registrar, JCDV

To build across the institute a culture of excellence in teaching and learning with needed performance and accountability from all support activities.

# Message from the Principal

**Minds are like parachutes – they only function when open”**

Jan Nayak Ch. Devi Lal Memorial College of Engineering is one among reputed technical institutes imparting the finest quality education. It has been a forerunner in recognizing the needs of the industry and integrating knowledge with professional inputs. The evolution of the institute since 2003 has witnessed the strong blend of state-of-the-art infrastructure and intricately intertwined human resource committed to providing professional education with thrust on creativity and innovation. At Jan Nayak Ch. Devi Lal Memorial College of Engineering, we strive hard to materialize the dream of Ch. Devi Lal (Former Deputy Prime Minister of India) about the world-class standard of education. By maintaining a team of core faculty members, who are constantly pushing the frontiers of knowledge, we ensure a futuristic approach that keeps pace with the changing trends in the professional world through our global perspective. We endeavor to equip our students with both technical and management skills by the way of enabling them to participate in seminars, and workshops in and out of the Institute, apart from educational tours and industrial project works, so that they may contribute to the industry being excellent professionals. Besides technical competence, we imbibe moral values which are equally important to make them better citizens besides honing their technical skills. With all the laurels we have achieved to date, I am sure we will keep providing a gamut of professional Engineers and Technocrats, backed by the top professional services.
